

Dear Parents, Students, and Community Members,

We hope you're enjoying the summer months and are finding opportunities to spend time with family and friends. Although students are not currently in attendance, summer is a busy time in the New Haven School District. Our custodial and maintenance crews are preparing buildings for school, and our office staff members are completing the yearly financial statements. As always, the district office is open for business and ready to answer any questions you might have.

Summer can be a time for construction projects around schools but our major construction project for this year was completed during the school year. We opened our new high school/middle school office in February and it has been a welcomed change. The primary benefit has been increased security for our students but it also provides a secondary benefit of allowing both secretaries to work in the same room. You may also notice construction at the track this summer. Community members are working together to build a storage shed that will also include bathrooms and a concession stand. We are grateful to everyone that has offered to help with this project.

School starts in just a few weeks, and back-to-school events will begin in the very near future. Open House for elementary students and parents will be on Monday, August 14th from 5:00 – 7:00 p.m. Open House for middle school and high school students and parents will be Monday, August 14th from 6:00-8:00 p.m. The first day of school will be Wednesday, August 16. Any students that are new to the district are asked to call or stop by the elementary, middle, or high school offices after August 1. The phone number for the elementary office is (573) 237-2141, the middle school office can be reached at (573) 237-2900, and the high school office phone number is (573) 237-2629.

We're looking forward to a great school year. I hope you are, as well. If you have a suggestion, comment, or question, please call the central office at (573) 237-3231, or check out our website at <http://newhavenschools.org>. We look forward to hearing from you.

Parents can ask for a balance inquiry at any time during the school year. The cards will be distributed and collected everyday for students in grades K-8. High school students will be responsible for having their card at school every day in order to eat breakfast or lunch.
